

## ISP 372P

# International Baccalaureate (IB) Procedure

---

### PURPOSE

Establishes regulation and conditions for awarding college credit based on International Baccalaureate (IB) Exam scores.

### SUMMARY

Clackamas Community College recognizes the IB program.

### PROCEDURE

1. The student must provide an official copy of the IB Exam scores to Graduation Services for evaluation and awarding of credit.
2. Graduation Services will be responsible for appropriately evaluating the IB Exam scores, posting to the student's transcript, and awarding credit based on ISP 372 International Baccalaureate (IB) Policy and ISP 372A International Baccalaureate (IB) Credit Table.
3. In situations where a course equivalency is not listed on ISP 372A, Graduation Services will contact the instructional department to determine if credit can be awarded. In such situations, state guidelines must also be followed.
